Dear Dikhololo Owner

On behalf of Vacation Management Services (VMS) we extend our greetings. As you may know, the Dikhololo Directors appointed VMS to manage the property moving forward. As a matter of interest, VMS forms part of the Beekman Group, as does companies such as The Holiday Club, iExchange and Anytime Holidays. In their own right VMS manages 37 properties in Southern Africa, plus a number in Australia & beyond. Should you want more information on the Beekman Group, please refer to www.beekmangroup.com.

We are tremendously excited regards the opportunity afforded to us, and will in due course communicate to you some of the plans that we have for new and exciting facilities and amenities at Dikhololo, all the while retaining the true "bushveld" experience that we've all come to know and love. For clarity sake, please continue to contact the resort direct for any levy, reservation or other queries; however VMS may also be contacted on 039 688 5000 should you have any additional queries or questions.

You may be interested to see some of the recent photos we have taken at the property and uploaded to the VMS website (www.vmsresorts.co.za/resort/dikhololo), which may inspire you to make your reservation as soon as possible. Please remember to settle your levy timeously, and call or email our reservations office soonest to book your holiday! **We are also keen to hear from you what additional facilities or amenities or changes you would enjoy on site, and invite you to participate in a survey by going to the news page (<http://www.vmsresorts.co.za/news/>) and clicking on the Dikhololo survey link.**

Additionally, we wish to take this opportunity to introduce to you 2 other companies within the Beekman Group that we believe will add value to your Dikhololo ownership: iExchange and Anytime Holidays.
